ORDER PROCEDURES

Any supplies and services to be furnished under this contract will be ordered by issuance of written orders on GSA Form 300, Standard Form 1449 or DD Form 1155. Oral orders are not authorized. An order specifies and authorizes the work to be performed by the Contractor. The order will include pricing and a statement of work. **ALL ORDERS MUST ALSO CITE THE PRIMARY NAICS CODE AND THE APPROPRIATE FUNCTIONAL AREA.** Orders may only be issued from date of contract award through contract expiration. The following ordering procedures apply to all orders issued under this contract.

Delegation of Ordering Authority:

- a. Any General Services Administration, Federal Technology Service Warranted Contracting Officer is authorized to place and administer orders against this contract without a delegation from the Small Business GWAC Center. The GSA Small Business GWAC Center may issue delegated ordering authority, for orders issued against this contract, to all other warranted Government contracting officers in all Federal Government Agencies.
- b. All orders are subject to the terms and conditions of the original contract, as amended. In the event of a conflict between an order and the contract, the contract will take precedence.
- c. All costs associated with preparation, presentation and/or discussion of the Contractor's order proposal will be at the Contractor's expense and will not be directly charged to the Government.
- d. No work will be performed and no payment will be made except as authorized by an Order.
- e. A Order will be considered to be issued in accordance with Clause 52.216-18 – Ordering (OCT 1995) – Section I.3.
- f. An order can only be issued by a warranted contracting officer.
- g. Orders issued under this contract will not be announced in the FEDBIZOPPS.
- h. Any required change to a previously issued order will be issued in writing by the contracting officer for the order.

For orders to be issued with an estimated value of less than \$3 Million (inclusive of options and/or modifications), the following will apply:

Orders may be awarded on a sole source basis up to \$3 million based upon self-marketing or past performance. The Contracting Officer shall make a determination of price reasonableness for each order.

For orders to be issued with an estimated value of greater than \$3 Million (inclusive of options and/or modifications), the following will apply:

All orders expected to exceed \$3 Million shall be processed through GSA, and shall provide for fair opportunity among all contract holders within the applicable Functional Area. All the necessary information (i.e. Bill of Materials, Statement of Work, Evaluation Criteria, etc.) shall be disseminated in order to afford all GWAC contract holders within the required functional area fair opportunity to receive order award. GSA, or the ordering agency delegated direct order authority, will provide the necessary oversight to ensure that award is made in accordance with the stated evaluation criteria. The Government reserves the right to select the contractor based upon initial offers and may do so without discussions.

Upon receipt of procurement requests exceeding \$3 Million from a client agency, the GSA Contracting Officer shall issue a request for proposals to the multiple awardees within the applicable Functional Area. Notifications may be received via various means including fax, e-mail and commercial mail. However, typically, notifications will come via broadcast e-mail through the GSA, FTS, IT Solutions on-line procurement system. **All contract holders must register in IT Solutions at <http://it-solutions.gsa.gov>. It is the responsibility of the contract holder to maintain current and accurate information in their IT Solutions profile for the distribution of RFQ postings.**
