CDS² provides effective high quality technical and management solutions that save our customers time and money. CDS², founded in 1994, a woman-owned small business is certified by the Small Business Administration as a small disadvantaged business and 8(a) concern.

CONSULTING SERVICES (SIN 874-1)

Consulting services may include but are not limited to studies, analysis, assessments and reports that document CDS²' developmental, consultative or implementation efforts. Typical tasks may include:

- ◆ Strategic, tactical and operational level planning
- ◆ Organizational performance analysis
- ◆ Performance measures, indicators, assessments and benchmarking
- ◆ Process and productivity improvement
- ◆ Business process re-engineering
- ◆ Enterprise resource performance management
- ◆ Regulatory compliance

FACILITATION SERVICES (SIN 874-2)

CDS² provides facilitation and related decision support services to agencies engaging in collaboration efforts, working groups, or integrated product, process, or self-directed teams. CDS² Facilitation Services are aimed at supporting agencies bringing together diverse teams and/or groups with common and divergent interests that may require a neutral party. Services include: the use of problem solving techniques; resolving disputes, disagreements, and divergent views; providing a draft for the permanent record; defining and refining the agenda; logistical meeting/conference support when performing technical facilitation; recording discussion content and focusing decision-making; debriefing and overall meeting planning; convening and leading large and small group briefings and discussions; and preparing draft and final reports for dissemination.

SURVEY SERVICES (SIN 874-3)

CDS² provides consultation, assistance, analysis, and documentation deliverables supporting all aspects and phases of the survey process. This includes: planning survey design; defining and refining the agenda; determining survey data and collection methodology; sampling, survey development; survey database administration; administering surveys using various types of data collection methods; pretest surveying; assessment validity of data; and performing quantitative/qualitative analysis of survey data.

SUPPORT PRODUCTS (SIN 874-5) FOR SINS 874-1, 874-2, 874-3, & 874-7

CDS² utilizes support products on an as-required basis dependent on the specific services desired by our customers adding value to the services we provide under SINS 874-1, 874-2, 874-3 and 874-7.
